Silchester Parish Councillor, Claire Jones.

Weddings

“ *A massive 'Thank You' for the great effort you all made to make sure things went so well. The stage, sound and lights are the talk of Bentworth. It was obviously as spectacular and professional as we'd anticipated.* ”

Corporate Events

Product Launch Event

“ When putting on events for Vodafone, we only want to use the best people. We were very impressed with ORA Productions in all areas. They were extremely professional to deal with and the sound was fantastic on the night. They were great value for money and we'll be using them again in the future. ”

Simon Tracey, Account Director.

Company 25th Anniversary

“ We requisitioned ORA to not only provide the disco, lighting and staging but also the marquees, flooring and PA system. This proved to be a very wise move as ORA's experience and expertise allowed the event to run seamlessly. Nothing was too much trouble and without their assistance the event would not have been the resounding success it was. ”

Emlyn Evans, Founder Budget Forktrucks Ltd.
